FEATURES AND BENEFITS

- New!** VivaLift!® Tilt reclines the lift chair into a recline position where one's knees are elevated above your heart, providing the feeling of weightlessness
- New!** Advanced massage system with a touch of a button provides gentle pressure to your lower back for a soothing massage with three intensity settings
- Newly** designed toggle remote:
 - Easy-to-use toggle in the middle of the remote performs the up /down and recline positions
 - One memory button to program your customer's favorite position
 - Tilt button
 - Modern toggle design for effortless control
 - USB charger
- Easily accessible heat and massage buttons on the inside of the left armrest
- Three heating pads located in the shoulder, lumbar and seat allow you to adjust your heat levels for your comfort
- True-infinite positioning enables the backrest and footrest to move independently from one another so that a variety of positions can be reached
- Hideaway wireless charging station conveniently charges your phone
- Hideaway cup holder keeps your beverage close at hand
- The power headrest lifts your head, neck, and shoulders for maximum support
- The upward lift offers convenient stand assist for getting in and out of the recliner
- The power lumbar enables you to personalize your comfort
- The footrest extension allows you to relax and stretch out completely
- Lithium battery backup ensures your recliner is operational when the power goes out
